Finance professional and CFA Level I Candidate with front-office and portfolio-operations experience at RBC, TD, BMO Private Wealth, and 73 Strings — pairing Canadian Securities Course and Bloomberg Market Concepts training with hands-on Python and SQL analytics.

EXPERIENCE

Senior Associate, Portfolio Monitoring

2025–2026

 73 Strings | Toronto, ON

Monitored daily NAV inputs and validated holdings and cash flows, supporting accurate fund valuations across 15+ portfolios

Investigated reconciliation exceptions and streamlined follow-up with operations, risk, and portfolio managers, cutting average resolution time by 18%

Skills: Portfolio Monitoring · Reconciliation · NAV Validation · SQL · Excel

Equity Analyst

2023–2025

 ROI | Toronto, ON

Analyzed and compiled public-company financial statements that fed the firm's equity research and client reporting

Partnered with product and engineering to ship AI-driven data features for client-facing analytics

Skills: Financial Analysis · AI Integration · Data Analytics · Python · SQL

Portfolio Assistant

2022–2023

 BMO Private Wealth | Toronto, ON

Supported two Investment Counsellors managing over \$100M in client portfolios, preparing reviews, trades, and account documentation

Managed client communications and meeting follow-ups for high-net-worth households, strengthening satisfaction and retention

Skills: Portfolio Management · Client Relations · Financial Analysis · Excel

Financial Advisor

2021–2022

 TD Canada Trust | Kingston, ON

Advised clients on lending, investment, and everyday banking through needs-based conversations

Exceeded sales targets, ranking in the top 15% of advisors in the district

Skills: Financial Planning · Sales · Client Advisory · Product Knowledge

Banking Advisor

2020–2021

 Royal Bank of Canada | Kingston, ON

Advised clients on personalized banking solutions, increasing repeat transactions by 13%

Delivered needs-based advice across core products including GICs, mutual funds, and TFSAs

Skills: Banking Products · Financial Advisory · Client Relationship Management · Digital Banking

Client Advisor Intern

2019–2020

 Royal Bank of Canada | Fredericton, NB

Resolved escalated client issues at the front line, improving the branch's client-feedback scores

Championed RBC's online and mobile banking tools, driving branch digital-adoption gains

Skills: Client Service · Digital Banking · Problem Resolution · Customer Support

Marketing Intern

2018

 Irving Oil Limited | Saint John, NB

Conducted competitor and market analysis that informed regional pricing and promotion decisions

Built a customer-lifecycle model used to focus targeted promotions and lift engagement

Skills: Market Research · Customer Analytics · Competitive Analysis · Marketing Strategy

Tax Return Intern

2018

 Grant Thornton LLP | Saint John, NB

Prepared and quality-checked client financial data supporting on-time filing of 100+ personal tax returns

Standardized return-preparation steps, reducing filing errors and rework

Skills: Tax Preparation · Financial Analysis · Data Management · Client Service
